DISNEY BAND REHEARSALS

As we prepare for our trip to Disney – we will be rehearsing the following days from **2:30 – 4:00 p.m.**. If we need to add an extra practice or two, or feel that we don't need as many rehearsals as scheduled, I will make those changes with ample notice.

All students attending the trip need to memorize their marching music, as well as attend all rehearsals. If you have a commitment that you cannot break, you need to let Mr. Miller know a.s.a.p.. If we are accepted into a Concert Band setting, then we will add concert music to our rehearsals.
